# Using a Chromecast
"Last Edited 5-14-2024"

1. Open Chrome
2. Click the three dots in the top right corner

3. About to the bottom click save and share
4. Click Cast

5. On the next screen click "Source"

6. Select Cast Screen

7. Select the Chromecast you wish to cast to from the list. Be careful you do not select one that is in use and or the one you do not want.

Welcome to the Cast experience in Chrome!

You can use this feature to display content from Chrome on your TV or other devices. **LEARN MORE**

☑ Enable casting to cloud-based services like Google Hangouts. **LEARN MORE**

OK, GOT IT
